**(Please read the following instructions carefully)**

*Phase 1:* To register as an applicant, a candidate has to provide his/her primary credentials viz. Name, Father's Name, Date of Birth, Mobile No. and Email ID. After submission of these informations the system will generate a **Registration Code** which will be displayed on the same page prominently. Though the system is designed to send e-mail immediately acknowledging the Registration Code and corresponding Date of Birth, sometimes due to network congestion the e-mail may not be delivered, hence candidates are requested to note down the Registration Code carefully. The combination of Registration Code and Date of Birth will be used as login details for next three Phases, i.e. Phase 2, Phase 3 and Phase 4.

*Phase 2:* In this Phase, a candidate who has created his/her Registration Code in Phase 1, will have to provide his/her profile details, viz. gender, category, address, qualification, experience and other candidature specific information and has to **save** the data by clicking the **Update Data** button.

*Phase 3:* Here, the applicant can upload his/her Photograph Image and Signature Image. The image format should be either **.jpg**, **.png** or **.gif**. No other image format will be accepted. The image size should be between **5 KB** and **30 KB**. The dimension of the Photograph image and Signature image should be as indicated below:

The image of the Passport Photograph should be such that the face of the candidate covers at least **80%** of the space of the photograph image, similarly the signature should cover at least **70%** of space of the Signature image.

For uploading Passport Photo and Signature (both should be in image format as specified above) the candidate should select the respective file using the Browse button and after selecting the file, he/she should click the **Upload Passport** and **Upload Signature** button respectively to upload the file to server.

The fresh registration process for candidature will be **closed on the last date of registration**.

However, an already registered candidate can keep uploading/modifying his/her candidature specific data in Phase 2 and Phase 3 till last date of registration. **However, uploading data in these two Phases does not complete the submission process automatically.** In Phase 3, **Submit candidature** button is required to be used to finally post the candidature for the Examination. **Before submitting Candidature** please ensure that

- 1) All detail informations in Phase 2 have been filled up and in case of non availability of data he/she should fill as per instruction provided. No field box should be left blank.
- 2) Passport Photo image file as described above has been uploaded.
- 3) Signature image file as described above has been uploaded.

Only after these verifications, the candidate should proceed for submission of the candidature/application. Initially the **Submit Candidature** button will be displayed in faded color and deactivated. On clicking the **Declaration check box** on the page, the button **Submit candidature** will turn to green color and activated for submission of candidature. **No more modification will be possible after submission of candidature.**

**Phase 4:** After submission of candidature the candidate should take a print out of the Fee Payment Challan by clicking the **Print Fee Payment Challan Form** button. The candidates can pay the fee amount **after two working days** from the date of submission and **on or before the last date** fixed for payment of fees.
