

**RESOLUTIONS OF THE DISTRICT LEVEL MONITORING COMMITTEE MEETING HELD  
ON 17/08/2018**

1. The Hon'ble District Judge, Jorhat first pointed out about the status of the proposal for a separate multi storied building (as per the standard specification of Hon'ble Gauhati High Court), which was also discussed in the earlier meeting held on 19/06/2018 for various courts/offices of District Judge Establishment, in the space, presently being used as the parking area for the Judicial Officers as well as for the staff. The ground floor of which may be constructed as the parking area for the official vehicles as well as the vehicles of other Ld. Judicial Officers/Staff etc. The Executive Engineer & SDE, PWD, Jorhat Building Division informed that it is in process.
2. The Hon'ble District Judge, Jorhat also discussed about the engagement of one contractor for maintenance of all electrical issues of court building and quarters of PWD, Electrical Division to depute as done by PWD, Jorhat Building Division. It was also discussed in the earlier meeting held on 19/06/2018. The Executive Engineer & Junior Engineer, PWD, Jorhat Electrical Engineer informed that they have not yet found any contractor willing to do petty repairing cases. However, they assured to look into the matter seriously.
3. The Hon'ble District Judge, Jorhat also enquired about the status of urgent installation of a gate at the entrance which has been damaged by sudden fall of large portions of tree which has already been intimated to the Executive Engineer PWD, Jorhat Building Division. The matter was also discussed in the earlier meeting held on 19/06/2018. The Executive Engineer & SDE, PWD, Jorhat Building Division informed that the same will be installed within a week.
4. PWD, Jorhat Building Division has been asked to replace the expired Fire Extinguishers at Judicial Court Building, Jorhat and to install new Fire Extinguishers for all the judicial quarters immediately. Even after repeated earlier communication made to PWD, Jorhat Building Division in this connection, nothing has been observed till date. The matter was also discussed in the last meeting held on **19/06/2018**. Also it has been discussed to provide fire protection and detection system in the Judicial Court building as has been done by the PWD Department in Nalbari. The Executive Engineer & SDE, PWD, Jorhat Building Division assured the compliance of the same.
5. PWD, Jorhat Electrical Division is hereby directed to take urgent measures to separate the electrical connections between the District Judicial Court Building and other offices of District Administration located in the same building under same electrical meter for smooth payment of bills to APDCL and to avoid unnecessary payment towards the accumulated surcharge. The Executive Engineer & SDE, PWD, Jorhat Electrical Division informed that necessary measures will be taken shortly.

Till then, as discussed in the meeting held on **15.12.2017**, **60%** of the bill amount is to be borne by the office of District and Sessions Judge, Jorhat and rest **40%** will have to borne by the office of the Deputy Commissioner, Jorhat.

6. The Hon'ble District Judge, Jorhat also enquired about the provision of Air Conditioners in all the courts and **installation of 250 KVA** sub-station in the Judicial Court Building at Jorhat. To which, the Executive Engineer & SDE, PWD, Jorhat Electrical Division informed that the installation of the same will be started shortly.
7. The District Judge, Jorhat asked the concerned department to furnish the name and contact number of the concerned person appointed/deputed by PWD, Jorhat Building Division to operate the water boring project located in the premises of the RCC Building (Quarters of Ld. Judicial Officers); to which the SDE, PWD, Jorhat Building Division informed that the same will be submitted.
8. The Hon'ble District Judge also informed the Executive Engineer, PWD, Jorhat Building Division as well as Jorhat Electrical Division to expedite the process of repair/renovation (civil & electrical works) of the present store room to accommodate Court Manager along with staff which was also discussed in the earlier meeting held on 19/06/2018. The Executive Engineer, PWD, Jorhat Building Division & Jorhat Electrical Division assured the compliance of the same.
9. It has also been directed to the PWD, Jorhat Building Division to take necessary measures to renovate the Judicial Court Buiding at Jorhat. Also it was discussed that same needs to be carried out in a decent way as has been done by contractor Sri P Neog in connection with the repair/renovation of the toilet blocks at Judicial Court Building at Jorhat. The Executive Engineer & SDE, PWD, Jorhat Building Division assured that the same will surely be taken care of.
10. The PWD, Jorhat Building/Electrical Division is also directed to inspect the project of water boring to supply water to the Judicial Quarters and submit a report to District Judge about the quality of materials used for further necessary order from this end and to ensure that work has been carried out as per tender specification.
11. It is also discussed in the meeting that in the campus of the District and Sessions Judge's residence, there is no permanent drainage. Also the Grade-IV quarters need to be inspected for repair and renovation. For both the cases the Executive Engineer, PWD. Jorhat Building Division as well as Executive Engineer PWD Jorhat Electrical Division is directed by Hon'ble District Judge, Jorhat to submit separate estimates for the Gr-IV quarters located in the residence of Hon'ble District & Sessions Judge and Addl. District & Sessions Judge, Jorhat. The said matter was also discussed in the earlier meeting held on 19/06/2018 but no estimates have been received till date by the office of District and Sessions Judge, Jorhat.
12. The PWD, Jorhat Building Division is informed to take corrective action on the following with immediate effect in during the meeting:

- There might be a blockage in the toilets located in the District & Sessions Judge's Bungalow.
- There is an urgent need to repair/replace the door of the chamber of the Munsiff No-1.
- Immediate replacement of all the broken windows of the Judicial Court Building.

13. The hon'ble Judge also enquired the status of the project of laying pavers in the open areas and constructing the inner road by laying pavers, which had been resubmitted after countersignatures. The Executive Engineer, PWD, Jorhat Building Division informed that the same perhaps awaiting administrative approval and assured the hon'ble judge to provide updated information in this regard.
